August 25, 2023

To All Port Milford Customers:

I hope that this letter finds each of you happy, healthy and enjoying the last weeks of the summer boating season. Thank you for what has been a great 2023 boating season. It has been another busy year at Port Milford and with winter quickly approaching we are excited to announce that we are now accepting winter storage contracts for the 2023/24 season.

Enclosed is the winter storage package from Port Milford. Included with the winter storage contract is a winterization checklist, a copy of our terms and conditions, and the 2023/24 winter rate schedule. Please return both the contract and checklist at your earliest convenience to ensure your boat is on the winter storage list. Please provide an updated copy of your insurance certificate with your contract (see terms and conditions #4 for requirements).

With more boaters on the water and a full marina, we are expecting the yard to fill to capacity again this winter. Feel free to mention any other work or projects that you may be considering. Please keep in mind that we are still, yes still, seeing supply chain delays, so it's best if you identify winter work early on.

A note to our friends and customers on the town moorings; as you know the moorings will be closing early this season (October 15, 2023). This will make planning ahead for your winter haul imperative. It will still be early enough in the fall that our space and time allowance at the docks will be very limited. So please, get your contract and haul date to us asap.

Good planning makes for a safe winter layup period and a smooth spring. I look forward to working with all of you this winter. Please feel free to contact the yard office or email grant@portmilford.com if you have any questions, or winter work you would like to discuss.

All winter contracts completed and paid in full between August 25, 2023 and September 6, 2023 will receive 3% discount off winter storage.

Please contact the office (203) 877-7802 or office@portmilford.com with storage contract questions.

Sincerely,

Grant Vogt
General Manager

****SIGNED COMPLETE CONTRACTS AND WINTERIZATION CHECKLISTS ARE REQUIRED
FOR ANY WORK TO COMMENCE AND HAULS TO BE SCHEDULED****
